GOVT OF MYSORE

Sir,

I have the honour to forward herewith for favour of orders of Government, a copy of my letter of even number dated the 19th November 1941, to the Director of Public Health, regarding the posting of an Assistant Sanitary Inspector to the Mudigere Minor Municipality. A copy of the resolution dated 20-9-1938 of the municipal council is also enclosed. As it is very necessary that a trained Sanitary Inspector should be employed by the municipality, I request you kindly to obtain the sanction of Government to the resolution of the municipal council to revise the scale of pay from Rs.25/- to Rs.25-1-35. The additional expenditure that the municipality may have to incur in this behalf during the current year may be met out of the closing balance. The Director of Public Health may also be kindly instructed to post a competent Assistant Sanitary Inspector to Mudigere municipality very early

I have the honour to be

Sir,

Your most obedient servant,

Deputy Commissioner,
Kadur District

M2.C.1273/41-42

Sir

I have the honour to state that the Minor Municipal Council, Mudigere, had resolved on 20-9-1938 that the post of the Sanitary maistry on Rs.25/- may be abolished and a trained Assistant Sanitary Inspector on Rs.25-1-35 may be appointed instead. Though the resolution was passed about three years ago, the sanction of Government could not be obtained thereto, as there was no post to absorb, the present Sanitary maistry who is drawing Rs.25/- per mensem. The said Sanitary maistry, having now been involved in a dase of theft of some cloth kept in the Octroi office, he has been placed under suspension by the President, municipal council, and I have ordered his reduction to a lower post. He will, therefore, be absorbed elsewhere in the Revenue Department. I have been taking separate action in consultation with the municipal President to obtain the sanction of Government for the resolution of the municipal council to revise the scale of pay from Rs.25/- to Rs.25-1-35. But as Mudigere is an important town in the Malnad, it is desirable that a trained Assistant Sanitary Inspector should be posted there immediately. I, therefore, request you kindly to post a competent trained Assistant Sanitary Inspector to the Municipality, immediately in anticipation of the sanction of Government to the revision of the

GOVT OF MYSORE

Sir,

Re Posting of an Assistant Sanitary Inspector to Mudigere Municipality

With reference to your letter No L 4640 dated 1st December 1941 and subsequent reminder on the above subject, I have the honour to state that I waited to see if it were possible to post a few passed candidates from the last batch of trained students as Assistant Sanitary Inspectors to some of the minor Municipalities that offered to employ them, after satisfying the needs of the Department. But I find that there are not enough qualified hands for filling up even the existing vacancies, due to the extention of Cyanogassing and Antimalarial operations throughout the State. Government in their order No. G 7330-54 P H 3-41-10 dated 13th January 1942, while sanctioning the state wide scheme of Cyanogassing have permitted the Department to withdraw, if found necessary, the Assistant Sanitary Inspectors already working in minor Municipalities Under the circumstances explained above, it would be possible to post Assistant Sanitary Inspectors after the training of the present batch of students in June 1942

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF PUBLIC HEALTH.
